The book *God?* is a clear, frank, unapologetic, and thorough investigation of life's most important question: "Does God exist?" Like a good detective or a jury, this book carefully reviews all the major evidence and arguments both for and against God. No other book has ever done that. The book is comprehensive yet concise and to the point. *God?* reviews the pro and con evidence found in history, literature, philosophy, physics, genetics and much more.

Thank you for supporting your locally-owned independent bookstore. By purchasing a book, you support the author and enable us to continue hosting author events. If you would like an autographed copy but cannot attend, please call us at 303.447.2074 and we will be happy to have a book signed for you.
